

Impact Report

2025

Building Momentum for a Brighter Future

As we reflect on this past year, we are struck by the incredible strides our community has made toward building a more vibrant and connected nonprofit ecosystem. Together, we've continued to advance OneOC's mission: to accelerate nonprofit success by fostering connections, building capacity, and amplifying impact across Orange County. Our journey over the last year was shaped by a deep commitment to our vision of a community where nonprofits possess the resources, skills, and connections to thrive. From launching tailored professional development opportunities to expanding skills-based volunteering programs in partnership with industry leaders like Points of Light, we've worked to empower nonprofits, volunteers, companies, and strategic partners to achieve greater collective impact.

In 2024, we laid the foundation for our ambitious roadmap toward 2027. Our North Star remains clear: serving as the central hub for nonprofits while evolving our capabilities and strategies to meet the needs of a dynamic sector. By aligning our efforts with key impact areas, such as talent recruitment, technology innovation, and strategic partnerships, we've set a course to deepen our community engagement, enhance our impact, and elevate organizational excellence.

Looking ahead, we are excited to embrace bold initiatives that drive greater outcomes. Whether it's developing new platforms for continuous learning, hosting conferences and summits to share knowledge, or reimagining the ways companies and nonprofits collaborate through volunteerism, OneOC remains steadfast in our mission.

We are deeply grateful for your ongoing partnership and belief in the transformative power of our work. With your support, we are building a future where nonprofits are equipped to serve, inspire and make meaningful change. Thank you for joining us on this journey of impact and growth.

Here's to another year of progress, innovation and community building.

With gratitude,

Tim Strauch, President & CEO / Micah Jindal, Board Chair

Our Mission

OneOC stands as a nonprofit organization dedicated to “Accelerating Nonprofit Success” by providing comprehensive solutions, unwavering support and empowering volunteers, nonprofits and companies to execute initiatives for the greater good.

At our core, we are driven by a singular mission: to accelerate nonprofit success. OneOC envisions a community in which all nonprofits possess an abundance of resources, skills and connections to effectively deliver on their missions.

We stand committed in cultivating profound and enriching experiences for our clients as they passionately serve their communities by nurturing robust client relationships, enabling us to deliver customized, flexible solutions that precisely meet their unique needs.

Our client-care approach centers on fostering engagement, promoting innovation and streamlining processes. By doing so, we aim to empower organizations with the essential infrastructure required to execute their missions with greater ease and effectiveness.

With dedication, we accelerate the impact of nonprofits, ensuring they thrive in their endeavors to make a positive and lasting difference on the communities we serve.

Nonprofit Membership

As the entry point to OneOC's full suite of nonprofit services, Membership plays a vital role in equipping organizations with the knowledge, tools, and partnerships that drive meaningful change. Our members, from emerging grassroots organizations to long-standing institutions, leverage OneOC's support to enhance capacity, strengthen operations, and advance their mission. We proudly recognize each nonprofit that is a OneOC Member in 2025, collectively strengthening our shared commitment to accelerating nonprofit impact across Orange County.

Nonprofit Learning Center

The OneOC Nonprofit Learning Center strengthens organizations across Orange County by equipping nonprofit leaders, staff, and volunteers with practical skills and tools. Through high-quality, accessible trainings led by experienced professionals, the Learning Center builds leadership capacity and supports sustainable, mission-driven impact.

Bringing Peace of Mind

National Days of Service, presented by PNC Bank, provides a unique opportunity for hands-on, skills-based, and remote volunteers to connect with our nonprofit partners and support their missions, beginning with MLK Jr. Day and continues with multiple "Seasons of Service" throughout the year.
